

The Neerim District Health Service has provided quality health care services to surrounding communities since 1914 and today operates a small private community hospital in Neerim South.

As well as our own general practitioners, individual services are provided by visiting Surgeons, Medical Specialists, Physiotherapists and other Allied Health Providers.

The Health Service has close links with many other health care providers to facilitate the best delivery of holistic care.

Our staff are committed to providing quality patient care in a comfortable and safe environment.

We offer a restorative care service for clients in our hospital and respite aged services for up to 2 weeks.

To find out more about our Residential and In-home care services please call our friendly Reception Staff at the Health Service between 9am and 5:30pm

Eligibility for residential aged care at Tarago Views

Eligibility to receive care at Tarago Views Residential Aged Care, like most Australian Aged Care Homes, is determined by the Aged Care Assessment Service (ACAS) on 1800 242 696

As the number of residential aged care beds is limited, there usually is a wait list. As the time approaches it is important to be prepared..

To make an appointment to have an interview and further information provided please call the Health Service on 03 56281226 or via email; info@neerimhealth.org.au

The decision to move to a Residential Aged Care Facility is never easy for residents or their families. So, when the time does arrive, we provide a viable option where locals care for locals in a home-like environment.
