

Operating Suite including Day Procedure Unit

Permanent Part Time and Casual roles available for Registered Nurses Division 1

Neerim Health is a not for profit community hospital nestled in the foothills of the Baw Baw ranges. The townships of Warragul / Drouin are an easy 15-minute drive away with Melbourne easily accessible via the freeway.

The health service offers state of the art operating facilities within a relaxed rural environment.

Our team in theatre is both dedicated and established in its role servicing our community. We are seeking enthusiastic, energetic and suitably qualified Division 1 nurses to join our Operating Suite team.

The theatre suite includes an 8-bed day Procedure unit (DPU) attached to a single, modern Operating Theatre, Anaesthetics and Recovery areas all managed as one unit.

We specialize in Ophthalmology, Endoscopy, Urology, Dental, Minor plastics and General Day Surgery.

The RN role in DPU is a fast paced atmosphere where you will be responsible for admitting patients for surgery, post-operative care and discharge. You will be assisted by Enrolled Nurses and our friendly theatre staff and have the satisfaction of following the patients journey from their entry into our facility until they are safely discharged home.

Key selection criteria include:

- Recent experience in DPU, Theatre or surgical nursing
- Demonstrated leadership skills, autonomy and accountability in health care
- Demonstrated clinical skills within the scope of DPU and minor general surgery
- Well-developed interpersonal, communication and leadership skills
- Demonstrated understanding of quality improvement and the NSQHS accreditation process

Salary and conditions are in accordance with your individual employment agreement and the NH EBA and staff have access to:

- Flexibility in order to achieve a work/life balance
- Generous salary packaging
- Support in accessing ongoing professional development
- A supportive and welcoming team
- An organisational commitment to best practice and risk management in line with Safer Care Victoria principles
